I was unable to attend the AVID Tutorial on: _____

because _____

I completed the following in order to make up the 28 points missed because of my absence:

1. Read an **educational article**, take 1 page of Cornell notes and write a summary/reflection of article. Make sure to include a copy of the article.
2. **Design a poster** (minimum 8.5x11) about AVID to be displayed in the room. Must be creative, colorful, and extremely neat. The poster should represent what AVID is.
3. Write a **testimonial** about the AVID program, and how it has helped you become a better student. Must be at least one typed page or two hand written pages.
4. Watch an **educational show** on TV for one hour; write 1 page of Cornell notes on what you saw. Be sure to include date, time, channel, and name of the show.
5. **Interview a Professional:** about their career or profession. Learn everything about what this person does and what they had to do to earn this position (college, additional training, etc). Find out the pros and cons to their job and what a typical day is like. Turn in Cornell notes about this great experience. Include the title of their job and a detailed reflection of your thoughts/reactions. ***This person cannot be a parent/guardian!***
6. **Interview a College Student (who is currently enrolled):** You must interview them by way of e-mail or in person and by asking them a minimum of 10 questions. ***(Have your questions prepared before communicating with this person!)*** Print the entire correspondence between the two of you and turn it in.
7. Attend a **lunch time tutoring session** with Academic Intervention. Check in with Mr. Gelzlichter and help tutor a student who is struggling with an assignment. Session will take entire lunch and you may eat in class while assisting students.
