

# AVID Weekly Learning Log

If there was no class lecture this week, write a learning log response to the following questions:  
Detail these as if you are teaching it to a student who was not present.

Name: \_\_\_\_\_

Subject: \_\_\_\_\_

Date: \_\_\_\_\_

**Focus/Essential Questions:** (remember...this should tie to the standard that the teacher was addressing)

1. What was the standard covered this week?

2. What were the main ideas covered and what did you learn in this week's lesson?

3. How do these ideas relate to what you have already learned?

4. How can you use this week's lesson in the future or in another class?
